Notice: Warning Concerning Copyright Restrictions

The Copyright Law of the United Arab Emirates (Article 22 – 8, Federal Law No. 7 of the year 2002) governs the making of photocopies and other reproductions of copyrighted material. To ensure that copyright infringements do not occur, users of the reproduced materials are referred to the full text of the UAE copyright law:

"Reproduction of written, sound or audio-visual short excerpts for cultural, religious, educational or vocational training purposes, provided that copying be in the reasonable limits of its purpose and that the name of the author and the title of the work be mentioned wherever is possible and that the copying authority does not aim at direct or indirect profit and that license for copying was unobtainable in accordance with provisions of the law."

The institution reserves the right to refuse a request for photocopying if, in its judgment, fulfillment of the request would involve violation of copyright law.
