

Instructions for accessing streaming video reserves

There are two options for accessing streamed video content:

- A. Blackboard iLearn <https://ilearn.aus.edu>
- B. Panopto Portal <https://aus.cloud.panopto.eu>

A. Blackboard iLearn

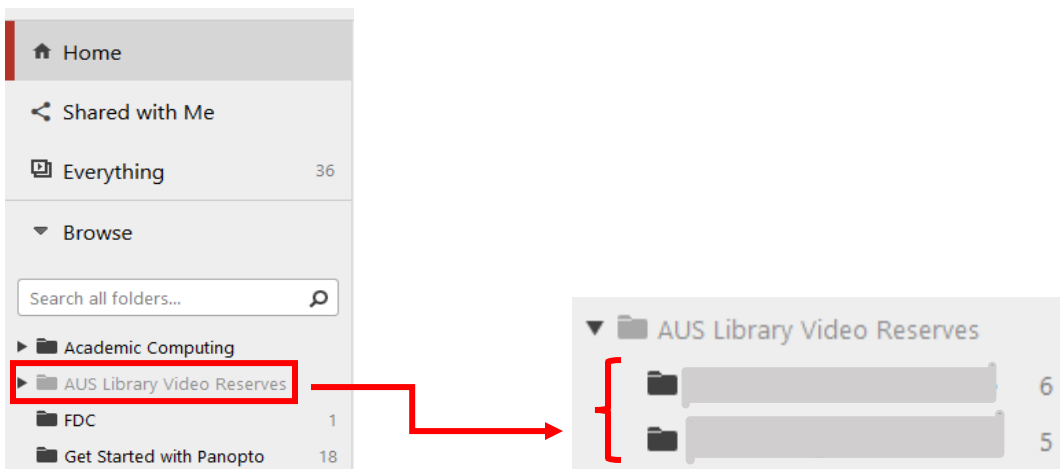

1. Access Blackboard iLearn <https://ilearn.aus.edu>
2. **Sign in** to iLearn using your **AUS Username** and **Password** (some Faculty have to use their YubiKey)

3. In iLearn from the top right corner, click on the **"Videos"** Link.

4. Under **Browse**, from the drop-down menu select **"AUS Library Video Reserves"** and a list of available videos will display.

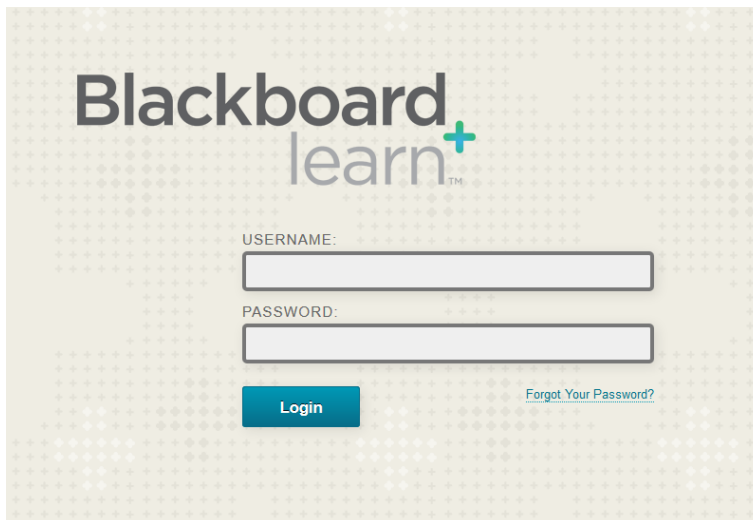

5. Select a video title. A new tab will open in your browser. Use screen controls to view and explore “play” options.

B. Panopto Portal

1. Access the Panopto Portal <https://aus.cloud.panopto.eu>
2. **Sign in** to iLearn using your **AUS Username** and **Password** (some Faculty have to use their YubiKey)

3. Repeat **Steps 4** and **5** under Section **A** (Page 1 of 2).

Students - For help with accessing streamed videos contact: researchhelp@aus.edu

Faculty – for information on streaming video reserves, please contact your [liaison librarian](#).
